

A symposium on
**Additive Manufactured Materials:
Production, Experiments and Applications**

Organised by

Dario Croccolo

Industrial Engineering Department
University of Bologna, Italy

Under the auspices of

**8th International Conference on
MECHANICS AND MATERIALS IN DESIGN**

University of Bologna, Bologna, Italy
September 4-6, 2019

(www.M2D2019.com)

Papers are solicited from the community in the following and related areas:

- Design and Development of additive manufactured materials
- Production systems for metallic materials
- Production systems for polymeric materials
- Experimental characterization of AM components
- Mechanics of materials of AM components.
- Static and/or fatigue testing
- Tribological properties and surface finishing
- Microstructure, internal and external defects
- Heat, mechanical, chemical and surface treatments
- Residual stresses: detection and assessment
- Case Studies and Case Histories

Papers of four full pages maximum should be written in the following format (the template is available in the web site specific section).

Paper Size:

A4, single column

Margins:

Top page 3,0 cm; Bottom 2,5 cm, Left & Right 2,5 cm

Font and line spacing:

Times New Roman; single space

First 3 lines:

Should be left blank, size 10, reserved for the editors

Title:

Begins at the 4th line, capital letters, size 14, bold, left alignment

Authors Names:

Size 10, left alignment, two lines interval from title above

Authors affiliation:

Size 10, left alignment, two lines interval from text below

Main Text:

Size 12, full justification, 6 pt space after paragraph, no indentation

Headings:

Capital letters, size 12, bold, one line interval from text above

Legends (Figs & Tables):

Size 10, one line interval from text above and below

References:

References to cited literature should be identified in the text with author(s) name(s) and year of publication (ex: Mascarenhas, 1997). Full citations should be grouped at the end of the paper and in alphabetical order of first author's name. Always give inclusive page numbers for references to journal articles and a page range for books. Each reference must be cited in the text.

A sample abstract is available for download at: www.M2D2019.com
which can also be used as template.

Deadline for Extended Abstracts: 08 March, 2019

Accepted contributions will appear in a book which will be made available to the delegates at the event.
